

## Experiment 5

1. Design a complete Google Form survey and analyse responses.
  - a) Create a Google Form titled “Student Attendance Report”.
  - b) Include the following question types: a. 5 MCQs b. 1 Rating scale (1–5) c. 1 Short answer d. 1 Checkbox question
  - c) Customize the theme (header image + colour).
  - d) Share the form link with 5 friends and collect responses.
  - e) Generate charts from responses and take screenshots of the analysis page.

### Student Attendance Form

This Form records each student's daily presence and basic details, helping teachers maintain clear and organized attendance records.

This form is automatically collecting emails from all respondents. [Change settings](#)
